Cursillo Leaders,

We are looking for "cursillo witness articles" for e-Ultreya Magazine. We need some down to earth articles **to show how you are using the basic tools of the movement.**

Show us what your weekly group reunion has done for you, your family, your workplace, etc. Why it is important for you to group? Did anything significant happen to you, as a result of spending all those years with grouping or attending ultreya? Does the cursillo method (make a friend, be a friend, bring a friend to Christ) bring forth any fruit in your life, in your family, your workplace, etc.? Did applying the cursillo tools help you get closer to Jesus? Has the fruit of your group reunion helped others to get closer to Jesus?

Your personal holiness, formation, or evangelization are the best topics to witness. Here is what to do. Take something that you shared with your group reunion and jot it down - especially if you think it could benefit others.

Articles are submitted directly from the web site at www.cursillo.org/ultreya/.

May God bless you today.
